NQ Media is delighted to offer a range of design and photography services for Primary and Secondary Schools.

ENGAGING DESIGN THAT AIMS AT ITS HEART TO CAPTURE YOUR SCHOOL'S PERSONALITY, VALUES AND ETHOS

A professional look right across all your marketing and information literature so that everything ties together in a way that shows your School at its best. From logo design through to Prospectuses and Websites we design with all these elements in mind to ensure everything comes together seamlessly and is presented in a professional and cohesive way.

WEBSITE DESIGN KEY ELEMENTS INCLUDE

Mobile Friendly – With so many parents now viewing the internet on their phones it is absolutely essential in our view that your website is mobile friendly and clearly accessible from any device.

Easy to update – We use a well-known and easy to use platform for all our websites making it easier for you as a School to update pages as you need. We also provide if required free training for all our new Schools just to help you settle in and get used to your new website.

Excellent Value

Our excellent website designs start **from just £750** and our on-going annual hosting prices start at **£295.00** including 2.5 hours of free updates to your website each and every year.

PROSPECTUS KEY ELEMENTS INCLUDE

Digital and Printed Versions available

We understand that Prospectuses are a great way to inform prospective parents about your School. We offer a complete Digital PDF version which can be downloaded direct from your School website or sent via email or we can offer stunning full colour printed versions for much less than you might think.

Excellent Value

Our excellent Prospectus designs start **from just £395*** for a complete digital version and **from £595.00*** for 50 professionally printed copies and a Digital Version PDF.

*Figures are based on your prospectus being up to 20 pages of information and being A4 full size pages.

NEW SCHOOL LOGO?

If your School is looking for an inspiring new logo that represents the elements that are important to you and that works well across all literature and marketing then please get in touch.

FLYERS AND BANNERS FOR MARKETING

If your school wants or needs to be seen to attract new prospective parents to visit your School then please get in touch. Our design team will create a design that conveys the message you are looking to get across and all flyers and banners are available in a variety of sizes with printing options also available.

CANVAS PRINTS TO DISPLAY WITHIN SCHOOL

We are delighted to offer themed Canvas prints that aim to inspire and display aspects of your School that you may wish to show. Photography services included for free if required.

PROFESSIONAL PHOTOGRAPHY AND FILMING SERVICES

From photography that captures learning, playing and School life through to Short films that promote or help educate. We offer a range of opportunities for you to convey your message to parents and prospective parents and their children.
